

Theme of the month
Bond of Love

Value of the month
Love, Loyalty, Courage

International Days:

12th August -
International Youth Day.

13th August -
International Lefthanders Day

19th August -
World Photography Day

Songs of patriotism and valour echoed through the Aisles of Sanskriti Kids as the school gathered in the main ground on 15th August to celebrate the 76th Independence Day. The celebrations started with the flag hoisting by Shri. Vikranth Terala, Director, Sanskriti Group of Schools followed by the national anthem. The principal addressed the gathering and shared the greeting of the day. Viraj Arni, of grade 2 delivered an inspiring speech evoking the patriotic spirit among everyone present there. Grade 1 & 2 kids enthralled the audience with their feet tapping dance numbers. Director, Vikranth Terala, addressed the students, inspiring them to become the worthy citizens of the country and make the country proud. He also highlighted the need to be composed and poised, and take lead solely on one's merit and not harbouring jealousy, hatred etc. against others to reach ones full potential. A drama on universal brotherhood as part of Heleno' grady was well appreciated. The celebrations concluded with sweet distribution followed by dispersal of students.

Patriotic Collage Making-competition(Telugu)

Marking the Independence Day celebrations, few inter house activities were conducted to sensitize the kids about the spirit of nationalism. Telugu Bhasha Dinotsavam was also celebrated by conducting competitions related to Telugu- collage making, storytelling, etc. Houses were judged based on the performance of the participants on topics related to Nationalism & Freedom. We could see the enthusiastic participation of kids in doing the collage on the notice board.

Drawing Competition(Patriotism)

National Sports Day & Telugu Bhasha Dinotsavam

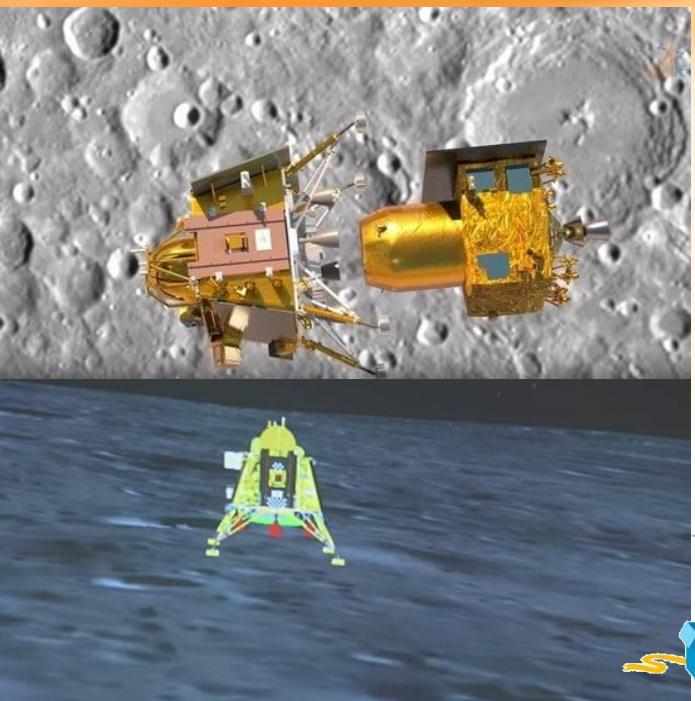

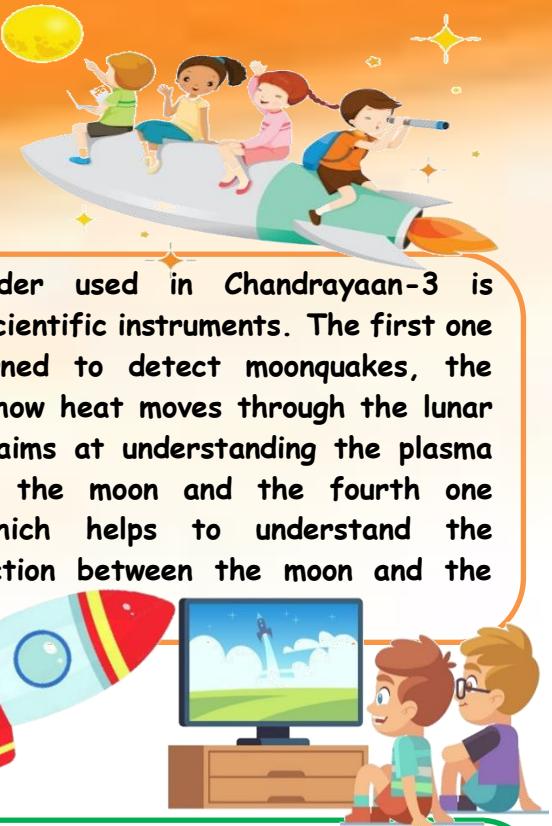

29th August is observed as National Sports Day as it is the birthday of the hockey wizard, Major Dhyanchand. Celebrating this day is a great honour to all the sportsmen who made our country proud by their remarkable achievements. Sanskriti kids celebrated the Sports Day by felicitating the winners of Sports Meet. Ms. Shravya Mandadi, a social activist and environmentalist was the chief guest of the event. Medals and certificates were given to the winners of various sport events. Speech by the chief guest and the Director were very inspiring and invigorating. Parents participated in some fun activities and they were also given gifts for various positions. Telugu Bhasha Dinotsavam was also celebrated with a traditional folk dance, depicting the folk culture of Telangana. An energetic speech by Advaith of grade 4 pep up the feeling of Telugu bhasha gauravam among the denizens. The day is a reminder of the pride one must have about ones' cultural heritage and how to retain our cultural identity by using our mother tongue more often.

Historic Landing on Moon's South Pole

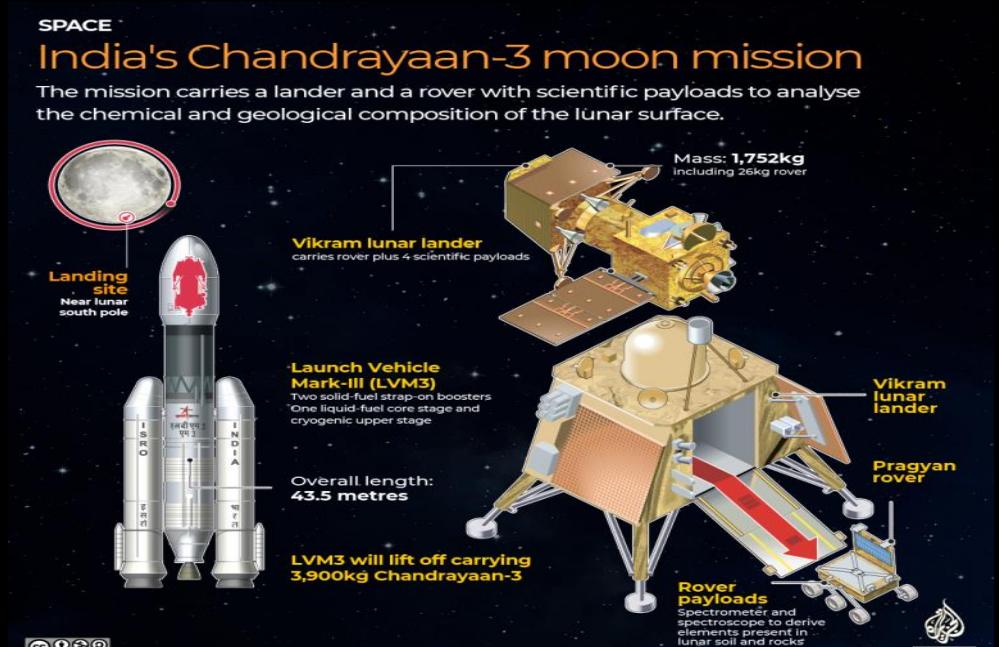

Vikram Lander used in Chandrayaan-3 is equipped with four scientific instruments. The first one is seismometer designed to detect moonquakes, the second one studies how heat moves through the lunar surface, the third aims at understanding the plasma environment around the moon and the fourth one is retro-reflector which helps to understand the gravitational interaction between the moon and the planets.

Chandrayaan-3 was launched on 14 July 2023. The spacecraft entered lunar orbit on 5 August, and the lander touched down in the lunar South Pole region on 23 August 2023, making India the fourth country to successfully land on the Moon, and the first to do so near the lunar south pole. It consists of a lander named Vikram and a rover named Pragyan, similar to those of the Chandrayaan-2 mission.

Chandrayaan-3's rover Pragyan will leave the impression of India's national flag and Indian Space Research Organisation (ISRO) logo on the lunar soil

The mission has a budget of ₹615 crore. The lander is named after Vikram Sarabhai who is considered the father of India's space programme and the founder of Indian Space Research Organisation (ISRO).

CHANDRAYAAN-3

India's Chandrayaan 3 mission carries a lander and rover with scientific payloads to analyse the chemical and geological composition of the lunar surface.

Friendship Day Celebrations

Friendship is a selfless bond between two people. Sanskriti Kids believes in instilling the right values from a young age. Kindergarten students tied the friendship bands to their buddies and expressed their love for each other. This bond of trust and love shall always kindle in their hearts, keeping the memories of childhood fresh forever.

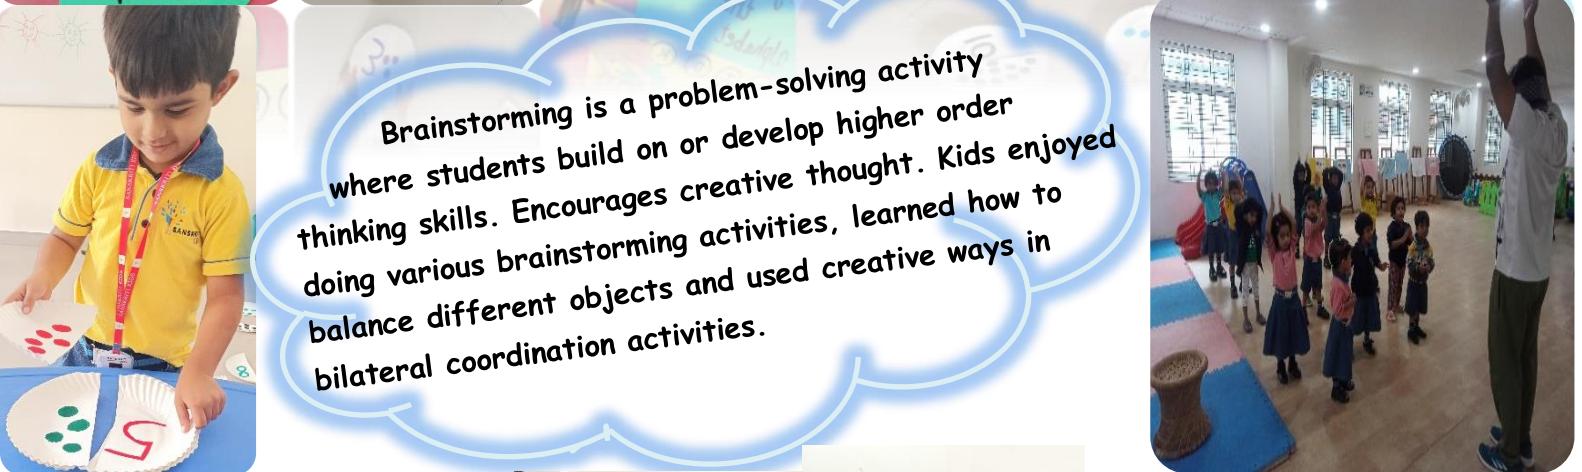

Lil' Chefs Activity...

Brainstorming is a problem-solving activity where students build on or develop higher order thinking skills. Encourages creative thought. Kids enjoyed doing various brainstorming activities, learned how to balance different objects and used creative ways in bilateral coordination activities.

Fancy Dress Competition

It was amazing and amusing to see the little ones of Sanskriti Kids dress up as freedom fighters and take on their first step to the stage. The tiny tots rocked the show confidence, innocence and charisma. Certificates were awarded to the kids with best performance and originality in dressing.

Fruits provide vitamins, minerals and many nutrients which help in child's overall development. Kids spun the fruit wheel and enjoyed eating the fruit as per the activity. This helped kids to develop taste for fruits which they usually do not eat.

Preprimary kids participated in various sports events spanning for three days, in the month of August. Various sports events involving activities like running, balancing, hopping, sorting and hurdle Jump etc were organized for all the preprimary kids. The little ones participated in the events joyously without any fear of losing, their innocence and excitement was the highlight of the events. Through sports and games, we instill the importance of physical fitness since a young age; and how regularly playing a sport can enhance the quality of child's life. The events were judged and winners were felicitated on National Sports Day.
