

## **ANNUAL REPORT – (2019-2020)**

A warm greetings to all , I S.Swati Principal of **Sanskriti The School** welcome you all for our 11<sup>th</sup> Annual report presentation.

How swiftly and unnoticed time flies. One more year of glory has been added to the history of **Sanskriti The School**. I consider it my proud privilege to be associated to be a part of prestigious institution and present before you the school happenings for the academic year 2019, but before I do that I would like to dwell briefly on the changing times and the radical changes needed in the field of education.

We are living in times where the pace of events is fast indeed. In fact that today's latest becomes obsolete tomorrow. As said by Alvin Toffler in "The future shock" constant changes and all healthy communities are built for future. In educating today's youth. We cannot afford to lose sight of the fact that we must teach them to grapple with the problems of the generation, their society and their world. Yesterday's solution to today's problems would not suffice. The youth of today need to be readied for the global stage. A generation of young people, who are thinkers, inquirer, articulate and confident to take to the world stage and compete with the best brains in the world

**Sanskriti** has always focused on touching not what to think, but to think and widening the horizons of the mind and there lies the sole purpose of education and learning. Our efforts have borne fruit and are resonated through our list of achievements...

This year our school stands tall in the glory of many accolades. We have received the prestigious award from Global Forum of Education and learning on 18th of December at Le Meridian, Dubai and our school received this award is for taking quantitative measures in the category of-

Reaching to the need of Education to all the sections of society

Creating impact of Experiential learning in the field of Education

Adapting new and innovative ways of teaching with simple learning methods

Readiness to adapt and improvising the teaching and learning resources

Using best technology service providers and reaching to all the needs in Education sector.

Our Director Vikranth sir received the award from Dr. Hassan Jamal Abidi, Academician of Jamaia Islamia University, in Dubai. I take this opportunity to thank my Board members, my directors, teachers, students and my dear parents for their continuous support and trust in this journey of success.

- Our school received the school excellence award for best academics amongst top 500 schools in Hitex conferred by Brainfeed

I am privileged and honored to receive the social action award from Indian development foundation and our students actively participate in road safety club and Red Cross events.

The academic prowess of sanskritians was proved again with 100% success in 2018 board exams.

- We received best school award in category of excellence in arts and sports program at Eldrok K-12 educationalists summit held in Taj Krishna, Hyderabad.
- Assembly program revolve around a specifically chosen theme. Each Student of the school gets a chance to present and witness thematic assembly with skit, song and good message.
- The Academic session started with school elections, international yoga day,Id celebrations father's day celebrations and investiture ceremony
- The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, they also pledge to bestow their duties to the best of their abilities. Shiv Karthik and Sneha Varsha of grade 10 elected as head boy and head girl respectively and the senate of members were adorned with sashes and badges. Club members took oath to faithfully work for the school.
- There is a growing concern in general education and physical education as well as emotional well-being. Carefully planned and well-supported program of work on social and emotional learning is reinforced with various programs
- We are happy to help learners with all academic and career needs. Our aim is to help them make more informed in educational and career choices
- By providing a conducive and encouraging environment, the students are mentored to participate in a variety of intra and interschool competitions and events,as the slogan goes
- “If you can't REUSE it REFUSE it”.

Campaign to spread the awareness among the children about the hazard effect of plastic on environment, rally was taken by our students in the locality and we have stopped distribution of chocolates and biscuits or any packed item during birthdays in school and also encouraged children to add fruits and homemade food in their snacks and lunch. Here I want to mention parents who have cooperated with school mission and sending homemade food and contributing books for library in special occasions.

Swachtha hi sewa is a weekly program in campus and say no to single use plastic is the main motto of the sewa program. Our Nature club team has taken the initiative for making this thought come into action

True to the dictum of “Learning by doing”, our kids participated in all the events from making of Rakhi's, selling it same to our parents and donated that amount to

orphanage. Like every year we have promoted clay ganesh idols and save lake awareness through rally, save lakes awareness and Eco Diwali. It is very satisfying to see our children trying to do an original piece of work in areas of interest.

- Trees are the kindest thing we grow. But their depleting number has become a serious issue. To make students aware of this issue and taking initiative towards it we have celebrated tree plantation in our premises. I thanks the nature club team for their Teamwork and Efficiency.
- “Today a reader tomorrow a Leader”. We celebrate book reading week for all our kids where we allowed them to pick a book of their choice and read it also donate a book of their choice to make them share the book of their interest to their pals. I wish to thank our literary club member to make this thought come into action.
- To explore, grow and broaden student’s horizon, we have taken our kids to Panchgani, Lonavala, Mahabaleshwar and primary kids to zoo and resorts.
- Professional level of teaching is an ongoing program at our school. To keep them updated with the latest in their respective field they are sent to attend various seminars and workshops. The school invests heavily into professional development of teacher and we ensure that all this update gets translated into more effective and better teaching and learning in classroom.
- Besides excelling at academics, it gives us immense pleasure that our school has also been very active in the field of co-curricular activities. Saturday is a day our students love the most designated as the activity day.
- To enhance kids vocabulary and listening skills activities like skit, Role play, Dictionary search, Word building ,Dialogue writing, Elocution and Essay writing competitions were held round the year.
- To encourage children for the apt usage of resources we promoted ONE BUCKET CHALLENGE, to save water .We have also introduced WATER BELL in our school campus. Under this initiative the bell would be rung thrice to remind children and teachers to drink water as most of the kids are not drinking enough water resulting in unwanted health issues, we have conducted awareness program about mosquito breeding and preventive measures in collaboration with GHMC.
- Our School Head girl Sneha Varsha received sergeant rank in NCC after successfully attending 3 At camps, Sneha bagged second place in solo dance performance in and a gold medal in marathon race conducted by NCC to spread awareness on Aids.
- Pranathi of Grade IX bagged first in solo dance and Keerthana stood 3rd in Firing at ATC camp.
- Taruni of class IX represented R.R.District Zone in NCC camp at Ghatkesar.
- Our student of class 8<sup>th</sup>Ujwala bagged second place amongst 1000 participants in Bharnatyamat Chennai prayatnam forum dance competition.

- Our middle school Kuchipudi dancers attended program at Thyagaraya gyanasabha for welcome dance and enthralled the audience on occasion of Independence Day.
  - The kids of primary and middle school students performed kuchipudi dance at srirsailam in temple premises and performed at Ravindrabharthi for a T.V. awards function held in the month of November
  - Our students participated in the CBSE cluster VII kabaddi Championship and stood as the runner up and are appreciated for their spirit to play with senior secondary school.
  - Our budding Karate champions have won 3 gold medals and 1 Bronze medal in A.P. & Telangana state level open karate championship.
  - Our student won the 73<sup>rd</sup> Independence roller skating championship held at Kotla Vijay Bhaskar Reddy Stadium.
  - The list is endless and I would like to thank once again our parents for encouraging their wards in all events
  - We look forward to the year 2020 with an aim to never stop the process of learning and growing, with the conviction of giving the best.
  - Wish you all in advance merry Christmas and a happy new year ahead
- Thank you one and all.
