

# Sanskriti saga...

## The monthly chronicle

### Dear Readers

*It gives me great pleasure to present the first edition of our monthly Newsletter 'Sanskriti Saga' for the academic year 2022-23. As the name suggests, Sanskriti Saga is a creative narrative of our young friends at work. This saga will unleash new episodes every month, wherein you'll be intrigued by the settings - classrooms, library, amphitheatre, assembly area, play arena etc. and see our kids in astute action. Further, celebrations will be adorning this saga with the unique flavour of culture and traditions.*

*Hope you all savour the various flavours of colours, celebrations, events, festivities etc.- all encapsulated in one Newsletter.*

**Dr. Mamtha Singh  
Principal  
Sanskriti Kids**

### WELCOME BACK TO SCHOOL!!!

*Sanskriti Kids was abuzz with the chirpy, joyous screams of little children as they entered the school on the first day. Teachers extended a warm welcome to the children as parents handed over their kids. After an exciting day filled with activities, children left for their homes with a take away smiley - 'My first Day at School'.*

# GRADUATION Ceremony

## Congratulations

13<sup>th</sup> April 2022

"There is a good reason they call these ceremonies 'commencement exercises'. Graduation is not the end; it's the beginning."

*It was a proud moment for the parents and the teachers at Sanskriti Kids to felicitate the little kids on their Graduation Day. Watching them fly to their new haven, in their own confident way, was a celebration in itself. The kids enthralled the audience with their cute little steps, dancing to the tunes of feet-tapping music. Adding grace and grandeur to the event was the 'Graduation Ceremony' where the kids dressed in the graduating gowns were given scrolls by the Director and the parents.*

*Having crossed the first milestone and rearing to conquer many more, we wish our grade 1 kids great luck and an amazing journey in the years to come.....*

# Cultural Fiesta

## UGADI CELEBRATIONS AT SANSKRITI KIDS 1<sup>st</sup> April 2022

Keeping alive the sanskriti of our culture, kindergarten and primary kids at Sanskriti Kids were all set to celebrate the Ugadi festival with lot of reverence. Dressed in the traditional attire, the pre- primary and primary kids welcomed the New Year in their innocent, unique way. Dance, music and art work kept the children enthusiastically engaged for the day. A cultural assembly by grade 1 to 5 students further, highlighted the significance of this festival. Students left the school wishing everyone 'A Very Happy Ugadi and a delightful New Year ahead....'

## SRI RAM NAVMI CELEBRATIONS

9<sup>th</sup> April 2022

Students of Sanskriti Kids celebrated Sri Ram Navmi in the school by offering their obeisance to Lord Ram, the ninth incarnation of lord Vishnu. Children recited verses related to Sri Ram and a few bhajans were sung by the teachers to create a pious ambience. Further, Ms. Nirmala, Telugu faculty acquainted the students with the importance of this day. She briefed the students about the significance and the values we should imbibe from Lord Rama and his life.

# Beyond Classroom

Let's explore the world with their vision

## Instilling discipline through Assembly ...

**Morning assembly is replete with a variety of activities and exercises to rejuvenate the children for an exciting day filled with experiential learning. Children are encouraged to lead the assembly, helping them to develop confidence and communication skills.**

## International Day of Human Space Flight

**"That's one small step for a man, one giant leap for mankind"- Neil Armstrong. The International Day of Human Space Flight is celebrated to commemorate the first Human Space Flight by Yuri Gagarin. At Sanskriti kids, students were made to understand the importance of this day and through presentations and assembly speeches, children's passion for space and technology was ignited. Many of our students wish to go to space and we hope to see many astronauts giving wings to their curiosity....**

## 'Earth Day' Celebrations

**Just as a mother always gives and nourishes her children, it is important to sensitize our kids to acknowledge the bountiful resources which mother earth provides to us for our sustenance. As part of earth Day celebrations, various activities were conducted in the school, where children enthusiastically participated and presented their views**

# Recreational Activities

The more a child engages in physical activity the more he learns to cope with life

Weaving a yarn..  
Children at their creative best..

Snack time with friends.....

It is great fun to be on the field with friends.....

Wow!!! What an amazing world of art and craft !

# Kindergarten ROCKS!

"Teaching is not about answering questions but about raising questions- opening doors for them in places that they could not imagine."
