

## The monthly chronicle

FEBRUARY & MARCH 2023

### Dear Readers

One academic year has swiftly drifted by and we are here today, rolling on to the next academic session. I am certainly glad to see the kids move to their next class with excitement and enthusiasm. The year 2022-23 has left behind memorable moments for all of us to cherish. It has also taught us the virtue of tenacity- to fight against odds with all your conviction and move ahead.

Post covid, initially it was challenging to get the kids back to the rhythm of school life, but gradually we were successful in accomplishing the task. With a plethora of activities, events and celebrations aligned with the learning process, the teaching- learning was great fun and teachers and children enjoyed the journey together.

A big thank you to all our parents and well-wishers, for their support and encouragement throughout the year. This year too we hope to keep the excitement alive and surging with lots of activities, events and accomplishments.

"Hope smiles from the threshold of the year to come, whispering, 'it will be happier.' Let's welcome happier times and more fulfilling moments in the coming years.

## FIRST DAY OF SCHOOL

### The new academic session

Commenced on 27<sup>th</sup> March '23 for all the classes from Nursery to grade 5. Smartly dressed in the new uniform, with the bag and books, children were excited to come to school on the first day. As it was the first experience for Nursery kids, away from home, there was a little bit of wailing and sobbing, but gradually they got settled amidst the love and care of their teacher. After the initial hustle and bustle of parents and kids, the excitement gradually settled and the classes commenced.

# CARNIVAL

## Kids Carnival

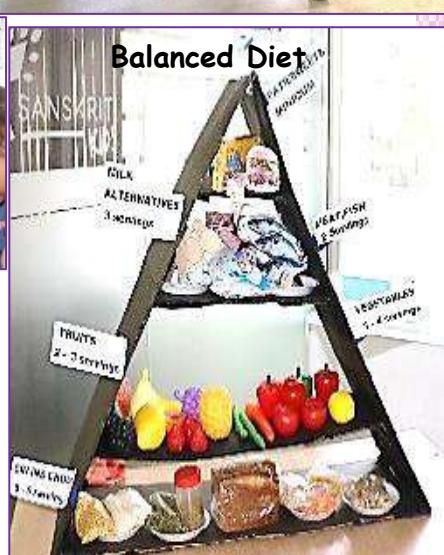

The joy of learning unfolded with all its vigour on 11<sup>th</sup> February, when the entire Sanskriti Kids team of teachers and students came together to present the learning of the yearlong concepts. It was indeed a carnival of presentations- charts, models, experiments, rhymes' recitation, storytelling and Dramatics etc. covering all the subjects. Parents and visitors were enthralled to see the children display and explain the concepts to the best of their understanding. Nursery, PP1 and PP2 kids mesmerised the parents with their innocent depiction of the literacy, numeracy and environmental activities, besides narrating story articulately. Parents were overjoyed to listen to their kids and watch them in action. It was truly a celebration showcasing the learning outcomes in a variety of ways.

# SCHOOL

# EVENTS

PP2 kids were graduated to grade 1 on 18<sup>th</sup> March'23 with great pomp and show. The graduation ceremony was witnessed by parents of PP2 kids who were overwhelmed to see their kids cross the first milestone successfully. Kids expressed their joy in the form of dances and thanked their parents, teachers and the school for providing them a year full of enriching experiences. PP2 kids wore the ceremonial graduation gowns and were presented with scrolls as a memoir of their first milestone.

We wish our kids a very happy, enriching and prosperous journey as they cover various milestones in their life.

## Sri Rama Navami Celebrations

Sriram Navami was celebrated at Sanskriti Kids to sensitize the kids about Lord Rama, who was an embodiment of virtues. Depicting the story of Lord Ram through a short skit, teachers were able to make the children understand that good always wins over evil and God incarnates in human form to destroy all evil. Children could enumerate the qualities of Ram that made him a great king.

HAPPY WOMEN'S DAY

# INTERNATIONAL WOMEN'S DAY

International Women's Day was celebrated at Sanskriti Kids on 8<sup>th</sup> March to honour the women for their contribution in shaping the destiny of the younger generations. Sanskriti group of schools believes in empowering women and bestows unflinching trust on the potential that women have in every field.

Ms. Vanaja Terala and Ms. Ramya Terala were the guests of the event. Both the guests congratulated the teachers for their hard work and commitment, and the noble work they are doing. Ms. Chaitanya, a leading beautician and magician, was also present for the event. She gave some useful tips to the teachers regarding their health and beauty and also performed some magic tricks, revealing the science behind these tricks. Adding a little flavour of fun and frolic, teachers had a zumba session and there was music, poetry recitation and selfie booth too. With some refreshments and tea the evening concluded in high spirits.

# Know about Great Indian Women

- The first Indian woman to be awarded the Bharat Ratna → Smt. Indira Gandhi
- The first lady Governor of an Indian state → Smt. Sarojini Naidu
- The first lady Chief Minister of State → Smt. Sucheta Kripalani
- The first lady Central minister of the country → Smt. Rajkumari Amrit Kaur
- The first woman president of the Indian National Congress → Annie Besant

## Little Chef Activity

The tiny world of pre-primary kids is abuzz with a lot of activities, events and celebrations. Be it the art and craft sessions or the little chef's activity or AV sessions, kids are always excited to participate and do their bit. Teachers encourage children to involve enthusiastically in order to develop their motor skills and their confidence. It has helped the kids to develop their socio emotional skills and creative skills, working under the care and guidance of their teachers.

## LITTLE Fun LEARNING

### Motor Skills Development

### Garland Preparation

### Fall Art Project
